

EMCC

European Mentoring &
Coaching Council

EMCC Czech invites you to the workshop with
professor David Clutterbuck

Making Coaching and Mentoring Deliver Value in the Workplace

9th December 2009, 14:00–18:00

Kongresové centrum U Hájků, Na poříčí 42, Praha 1

- What standards are there and how helpful are they?
- How can coaches and mentors improve the quality and relevance of their continuous professional development?
- Four levels of coach/ mentor competence and what it takes to reach each of these.
- Coaching and mentoring difficult clients – practical ways to approach them and help them achieve significant personal change
- Coaching and mentoring in support of talent management and succession planning
- How to make effective use of supervision

The final session of the seminar will be an open forum, in which participants can present their own issues for open discussion.

Moderated by Roman Chudoba, president of EMCC Czech

Entrance: 590 CZK
For members of EMCC free entrance
